

# Full time Chartered Physiotherapist required

Would suit new graduate interested in a fully supported MSK career

Permanent employed contract (full benefits)

37.5 hours a week including one Saturday morning a month

## Cranleigh & Dorking, Surrey locations

### About you:

We will support you to achieve your personal development goals. Our Clinical Lead will establish and support your individual learning, and you will also participate in regular team CPD to underpin your chosen career pathway. We want to help you become the best physio you can be.

You will be a keen learner with an enquiring mind, a good communicator and have a passion for MSK, using your skills to improve a patient's life.

### Your caseload:

We have an NHS contract, giving you the opportunity to treat a range of Consultant and post op referrals. You will also see private MSK patients and have the opportunity to undertake Pilates training with APPI, and take Clinical Mat Classes. There are opportunities to work in a local School (Adolescent Sports) alongside a Sports Physician, and your career pathway may include learning about/participating in our FCP programme.

Employed position

Permanent contract.

Flexibility over job share/ selected hours within those above

Good Salary.

Pension, holidays and usual employed benefits

### Additional In service benefits

Regular CPD support, with protected study time and individual Clinical Lead time

Work in a structured physio team with Clinical Lead

Career development opportunities including potential for FCP role

½ price treatments

4 x half price Family & Friends treatments per year
